## Welcome Business Members

**Boyle & Districts Crime Watch Association** would like you to know our purpose and objective, and why joining our association will be a benefit to you and your family.

1. Members are placed on a TeleComputer Fan-out system which alerts you if there is crime happening in our area. These messages tell you what to be concerned about and watch for, so that you can notify the **RCMP** if you can provide any information. You will also be notified of meetings as well as association activities and crime prevention workshops happening throughout the year.
2. We are associated with Fish & Wildlife to assist in the **Report a Poacher** Campaign to curb illegal hunting & fishing in our area.
3. Your fees directly enables our association to operate and contribute to programs for schools, such as DARE, Street Wise, Poster Contest and a \$500 Scholarship for local graduating students.
4. We invite you to help us in preventing crime and building safety for all residents living within our entire community.
5. By participating we know we can make a difference. **Preventing Crime in our Community: It's Everyone's Duty.**
6. At this time we have a \$20.00 annual membership fee for all businesses.
7.
